Big party at your home? Friday treat for the office? Staff working late and they need to be fed?

Roma II has helped with these occasions and many others. We can provide the food for groups as few as 10 people, or as large as several hundred. Our pizzas and pastas are a very economical way to feed a crowd. Salad, garlic bread, and beverages are available, too. We can supply canned sodas and Italian sparkling water. Our license even allows us to bring you beer and reasonably-priced wines!

Please let us know a day or two before you want to pick up your order. You can pick up the order yourself, or have us deliver.* While we don't stay and serve your catering order, we are happy to provide paper plates, napkins, plastic eating utensils, and paper/plastic cups - even openers for your beer and wine, if you wish. Please let us know if you need any of these things when placing your order. Thank you!

*Delivery charge of \$20 waived on orders over \$250.00

PIZZAS

We're often asked, "How many people will each pizza feed?" That's a good question, but obviously it depends on how much other food is available, as well as the appetites of the diners. Our large pizzas are 16" in diameter, and provide 12 slices. Typically, one large pizza will serve 3 to 4 people. Pizzas for take-out and catering orders are the same price as those on the regular menu.
